How to respond to the 3 most common tests without being rejected.

Not knowing how to handle shit tests destroys your chances with women. There are a lot of ways to deal with it, here are the 3 most common.

1. Do you say this to all women?

No, only to you. You are very special.

2. Are you a player?

Women ask me that 50 times a week. But none of it is true at all.

3. Are you hitting on me now?

Yes, that's right, because my mother always taught me to pretend to be interested in your character and ask about your work before I take you home, but if you want, we can go right away.
